# Complete peace of mind for you to enjoy your bed

## Who are you sharing your bed with every night?

Dust mites! These horrible creatures love your bed almost as much as you do. Most people lose around a pint of water in perspiration whilst in bed, which can be absorbed into the mattress if a protector is not in use, and it becomes a perfect breeding ground for bacteria and mould, which leads to dust mite infestation. That's why it's so important to look after your mattress and use a protector!

## The Protection Plan also includes a Mattress Protector

Luckily for you, as well as the protection plan coverage, you will also be given a mattress protector which will keep you and your bed healthy and stop accidents from damaging your mattress.

## Stay healthier

They are effective in helping to reduce dust mites and bacteria from breeding inside the mattress, which is a common cause of asthma, eczema and rhinitis.

## Prevent spills and stains

They have a waterproof membrane which allows heat and moisture out and stops liquid seeping in.

Our mattress protectors mean a healthier night's sleep for both you and your mattress!

# Why consider a Bed Protection Plan?

It covers life's little accidents, such as food or drink spills and accidental damage to your bed. These must be reported to us each time they happen in accordance with the terms and conditions of your plan.

When accidents happen, we have a team of trained furniture experts ready to repair damage and remove stains. To make a claim, simply visit our website ([guardsman.co.uk](http://guardsman.co.uk)) or call our UK call centre.

Wherever possible our network of expert repair technicians and stain removal specialists always try to repair the damage. If a repair isn't possible, we will source new parts for you, or a replacement item if parts are not available.

Claim for as many incidents as you need over 5 years. You'll have cover for parts, labour and replacement items up to the indemnity value of your plan. Your indemnity value is the price you originally paid for your furniture or £25,000, whichever is the lowest. Your limit of indemnity will reduce after each claim.
