5 Year Carpet Protection Plan

LEE LONGLANDS

Do I need a carpet protection plan?

- It covers life's little accidents, such as food or drink spills and accidental damage.

- When accidents happen, we have a team of trained experts ready to repair damage and remove stains. To make a claim, simply visit our website (guardsman.co.uk) or call our UK call centre.

- Wherever possible, our network of expert repair technicians and cleaning specialists always try to repair the damage. If a repair isn't possible, we would look to replace the carpet for you. If this is not available, we would invite you to reselect a new carpet.

- Claim for as many incidents as you need over 5 years. You'll have cover for parts, labour and replacement items up to the indemnity value of your plan. Your indemnity value is the price you originally paid for your carpet or £15,000, whichever is the lowest. Your limit of indemnity will reduce after each claim.
